During the period my deputation (from May 1949 to August 1950) to N ilkheri, the Government of Mysore were pleased to sanction an allowance of 1/5th of my Salary in addition to my pay in the first instance and later they were pleased to enhance it into a consolidated allowance of Rs.100/- per mensem as deputation - allowance from May 28th, 1949. Before I left for Nilokheri, I was assured by the Comptroller orally that there was no objection to my receiving any honorarium from the Central Government if they gave any. I was treated as an Honorary Worker at Nilokheri, as there was no place in the Government of India Scheme for me and I was paid an allowance of Rs.3/- per day plus an out of Pocket allowance of Rs.25/- per mensem in common with other honorary - workers. After a couple of months, I voluntarily gave up the Rs.25/- out of pocket allowance. Later, I gave up the honorarium also voluntarily.

Now I have been requested by the Establishment and Co-ordination Officer, Rehabilitation Colony, Nilokheri to obtain the permission of the Government of Mysore for receiving the H onorarium at N ilokheri. I shall be obliged if you can kindly obtain the necessary permission of the Government in the matter of my ~~tax~~ having received honorarium for a few months while at Nilokheri and inform the M inistry of Rehabilitation, Government of India.

In this connection, I may mention that the sanction of the Government of Mysore for the deputation allowance of Rs.100/- came in very much later and the cost of living there at Nilokheri was indeed very high. Though I performed several journeys to Delhi and other places on Government work, I did not draw any travelling allowance from them.

Thanking you,

Yours faithfully,

C.S. Sriadhi
